

Gateway IN Cross Phase

Per the request of the Cross-phase Group in 14/15, the Gateway Cross Phase module is enhanced to allow student’s future secondary school to view the full IN profile, i.e. SEN, EAL and G&T, including IN note, support plan documents etc. Secondary School Gateway:

Admin → Student Demographics → Search by Year Group = “Year 6 (x-phase)”.

- 1) On the search X-Phase P6 student list, it will show the SEN, EAL, G&T level columns. You may click on the column header to sort the list, you may export the list to CSV for further analysis.

Search Result Report

Note: the X-Phase data is available till the primary school change student status to LEFT, i.e. around end of June.
